

MALE AND FEMALE ENERGY - 1 part

Male energy is different from female energy.

I can't say better or worse.

It is different and complementary.

Male energy protects female energy, it creates cover around it so that new life can germinate inside the female energy.

When fear attacked Mother Earth, every human being was alone. You have ceased to see and perceive that all of you are forming Unity and that you are all interdependent, that you are all connected to each other, and that you are also connected with Mother Earth. Suddenly, you were all left by yourself. One was more and the other less.

It depended, to what extent, the human being allowed fear to settle in inside his head. The more was the thought of fear rooted in human being, the bigger the fear's power and control over the human being was.

As woman resembles more in her essence to Mother Earth and being, like Mother Earth, the bearer of life, who carries new life in her womb, a woman is more filled with Love. Therefore, men were more controlled, tied up by this fear, that attacked human beings.

The male energy was hit and controlled by fear on Mother earth as first. The bigger impact, fear had on men, the greater was the pain inside men.

Immediately, after the fear's attack, men had lost the knowledge that everything was related to everything and that everything was deeply interconnected. Men began to create much more pain, created more feelings of guilt, failure and distrust in themselves.

Thus they created very deep injuries and pain, very deep feelings of guilt towards themselves. As they lost the ability to forgive, they could not heal and cure their injuries and pain.

As pain in their hearts increased, indifference, cruelty and heartlessness began to germinate in their hearts.

By germinating this indifference, heartlessness and cruelty in their hearts, they began to hurt women.

So fear created another circle of pain to tie up men and women together.

The role of male energy is to protect female energy, and the role of female energy is to nourish male energy from the inside.

As a result of all the injuries, men lost their ability to forgive themselves, began to hurt women in order to pass their feelings of guilt on women. Thus women could not use their feminine energy and could not light up their inner fire that would nourish men from within and would heal their injuries and male energy.

This is the circle you are currently in and in which you are hurting each other. It is caused by fear and his intention. Thus fear managed that men and women have stopped cooperating, stopped complementing each other, stopped creating the Harmony of Being and began to fight among themselves. Fighting creates the energy of pain that nourishes fear. Thus fear creates its breeding ground, in this circle of misunderstandings, pain and struggles. Thus it creates enough energy to strengthen itself and to dwell and grow in human society.

There is only one way you can come out of this circle and that is FORGIVENESS.

FORGIVENESS will resurrect again Compassionate Love that will fill your hearts with this love. This Love will dissolve all the walls that you have built around you.

Then you begin to perceive and feel the energy of Love flowing between you.

If women, mothers, can heal their hearts through **FORGIVENESS**, then they can look at their men through their hearts filled with infinite, deep and unlimited compassion. However, first, they need to forgive themselves to heal all feelings of guilt, humiliation, failure, unworthiness and injustice.

It is this Love that all women emanate from their hearts, this feminine energy, full of inner fire, compassion and unconditional Love, that will help men to heal their own feelings of guilt, failures and unforgiveness, which they have deeply rooted in themselves in their hearts. Only this Compassionate Love that spurts out of the women's hearts toward men's hearts can help open men's hearts so that they can forgive themselves.

If men can forgive themselves all these feelings of guilt, failure, hatred, forgiveness and envy, then their hearts will be filled with compassion that will dissolve the indifference, heartlessness and cruelty in them. All the indifference turned their hearts cold and blind to pain that they create not just in themselves.

They do not see how they close themselves in more and more pain.

They do not see that they feed the fear with this pain that grows and potentiates in their hearts, and which ties them more and more under the power of fear.

If you allow **FORGIVENESS** to sprout and grow Compassion in your hearts, it will be easy for you to see, perceive and feel all these fake games that fear creates and which you now consider to be Your own reality.

You will see with your heart that all this is false, that it is just a fear supporting his power and holding you in his power. Fear, by creating this imbalance that has become part of the Life of Human Beings on Earth, has created very complicated conditions for life on Mother Earth.

Life on Mother Earth was created to be very simple.

It was created in a way that You only need to BE.

Fear thanks to his power has cut you off from further knowledge.

The knowledge is, that each of you is RESPONSIBLE for yourself, for your actions, decisions, words and thoughts.

By becoming subordinate, you have stopped perceiving this RESPONSIBILITY.

You passed it on to other human beings.

Again, this was the intention of fear, because by losing this responsibility, you have become unconscious and have given up the great gift that I have given you, and that is:

YOU CREATE YOUR LIFE WITH YOUR THOUGHTS, WORDS, DECISIONS, AND ACTIONS.

You have become toys and tools in a game that fear plays.

You don't even see that you play it so that fear can foster and nourish itself. All events that create any fear in human beings are pre-planned by fear itself and planned through those human beings who think they can act in this way.

Money is another tool that was created by fear.

Money and wealth. But wealth is just an illusion, because you cannot take any material wealth with you.

Your true wealth of Your soul, is your life experience and what become the inseparable, indivisible and inseparable part of Your soul.

As fear has taken away this knowledge from you, it was able to manipulate with some human beings very easily through money and wealth. They cannot even perceive their essence.

They don't see who they really are. Their souls seem to sleep. They are totally dominated by fear.

Their souls cannot speak to them in any way, and so they are blinded by their power, the power of money and wealth.

They do not see and perceive the essence of Life on Mother Earth.

Their awakening is only possible through the deep, extremely deep Forgiveness and the Compassionate Love that you can send them from your hearts.

But if the rest of YOU, too, cannot see the games of fear, you cannot give these beings the Unconditional Forgiveness from your heart, and you cannot create the Compassionate Love in your hearts, nor can you send them the energy of the Compassionate Love from your heart.

With this fear, you have created a great deal of energy of anger, hatred and injustice against these human beings, and fear itself keeps them in a position of fear and power.

Only LOVE - unconditional and Compassionate Forgiveness can heal them.

To do this, you need to find COMPASSION in your hearts first within yourself.

And again I am where I was at the beginning.

You need to learn to FORGIVE YOURSELF first.
