

# INITIAL MANIPULATION OF FEAR - Part 3.

I will return to the initial manipulation of the fear created in your society because it has brought greed, recklessness, indifference, envy, as well as vengeance, hatred, unforgiveness, grudge, malice, wrongdoing and feelings of GUILT.

And all of this creates in your heart the energy of pain that is the food for fear.

And fear has sowed seeds of fear into you, from which its food germinates.

And that is all the pain that will then be born in your hearts and in your whole society, but YOU still can't see it and you can't see and perceive that this is the manipulation of fear that controls your entire society and each one of you.

And even though fear repeatedly attacks the whole human society with great force, the legacy of those souls that come to you repeatedly is precisely what compassion in the human heart can create, and their legacy remains encoded in your society.

Despite the many manipulations that fear uses to change the truth of the message that these souls brought, fear could not touch the true essence of this message which is LOVE and COMPASSION.

Hearts of these souls were filled with COMPASSION, and they were able to receive every human being without conditions, without judgment, without criticism, without comparing and without condemnation.

And despite all the manipulations, fear could not change that true essence.

And just as sunlight shines through the entire history of human society, this is the LIGHT OF FAITH that these souls have brought to you.

**Throughout the history of mankind, these souls have shown to humans that COMPASSIONATE LOVE can dissolve the initial manipulation of the fear that has sowed seeds into the earth, and YOU as human beings have accepted and nourished them, and thus fear in your society has continued to grow and it multiplied. Thus the effect of fear multiplied not only in you but also in society as a whole.**

And this is the example that these souls repeatedly bring, which when you accept as your experience, you change everything, not only in yourself but in society as a whole.

This is the essence of their legacy that they have repeatedly brought to you throughout human history. And this essence of their legacy is still obscured by the false illusions of fear into which fear has hidden it.

**If you understand the essence of this legacy and accept it in your hearts, then as a GIFT it will bring you EQUALITY and MUTUAL RESPECT between you as human beings in your society.**

**Because when you stop judging yourself, comparing, slandering, criticizing, judging others and condemning each other and when you realize that you are all EQUAL, you will start to RESPECT one another.**

**And then deep RESPECT and HUMILITY will return not only to you as individuals, but to the whole society, and this will bring back the UNITY to your life because you will begin to realize through RESPECT and RECOGNITION that you are all one.**

**And when you understand this UNITY and accept it as individuals, and also when you accept it on a level of whole creation, only then the RESPECT FOR LIFE will return to you.**

**And then you will return EQUALITY to other forms of life on Mother Earth and thus restore the original Harmony of Life on Mother Earth, because you will begin to deeply honour, value and love Mother Earth itself as an EQUAL and FREE BEING, and thus return to the initial beginning as you lived here on Mother Earth.**

If you allow fear and its initial manipulation to be part of you, through it, you will create an imbalance on Mother Earth, create disrespect, disgrace and inequality not only for yourself but also for others and for other forms of life on Mother Earth, but also towards Mother Earth itself.

And that is why fear remains part of your lives, and it presents you this imbalance, disrespect, disgrace, and inequality as the reality of your life, but it is a false image and illusion that you have accepted that has become part of your being here on Mother Earth. Because you are living and experiencing this illusion, this false reality that is why there is so much pain in your lives.

**And this is a closed circle that creates fear to make the energy of pain, as a food that feeds it. This circle enables fear to continue to be here on Mother Earth.**

**And it is up to you and your conscious and free decision, to fill your life with LOVE, COMPASSION, MERCY AND FORGIVENESS, which will return your FREEDOM or to fill it with fear and its tools that will become part of you.**

And now I will return to life Here and Now.

During the Second World War, an enormous amount of pain, fear, helplessness, hopelessness was created and an unimaginably large number of human beings had begged for help throughout Mother Earth, and that is why the plan was created how to return the Light of Faith to these human beings, souls and mankind so that Trust, Love and Hope can return back to Mother Earth.

And so many souls have again decided to return to Mother Earth as human beings with their personal plan and mission but also with the mission to return to mankind the Knowledge of the effect and of the healing power of Love on Mother Earth and how fear creates false illusions and images. Also, how the energy of Love works on an energetical level and what is different from the material level that we can see on a physical level with our eyes.

Thus, in the synchronicity of the Cosmic Laws, opportunities have been created to enable these souls to meet and join their lives on their path and continue to walk together knowingly as a group in which they can support each other, help each other and set an example for others. At the same time accept them, so that others can also follow this path of Love, Compassion and Forgiveness in their lives.

**So know that this journey is the path of LOVE, COMPASSION, ACCEPTANCE, UNDERSTANDING, MERCY, FORGIVENESS, RESPECT and HUMILITY and these gifts you will find on this journey and they will be revealed to you when you are ready to accept them. Thanks to these gifts you return FREEDOM to yourselves and you pass on this knowledge on to other human beings.**

**And know that it is extremely important that mankind as such remains FREE to make FREE DECISION.**

**And know that you DECIDE FREELY only when you do it CONSCIOUSLY because only then, you can accept RESPONSIBILITY for your decisions in a broader context.**

**If you lose FREEDOM, you can not DECIDE FREELY, you do not accept RESPONSIBILITY for your decisions, but you make decisions only as much as the fear that controls you allows.**

**And you are not able to see, accept, realize or feel it that it is the case.**

**And then you are destroying the conditions of life not only for yourself but also for all beings and other forms of life that live together with you here on Mother Earth.**

**And this is a closed circle.**

**And be aware that this applies regardless of whether this Knowledge is part of you and you act consciously, or that this Knowledge is not part of you and YOU act unconsciously.**

So I will gradually give you all the Knowledge of how the Cosmic Laws work, what are the connections on the energy levels that are inaccessible to your physical sight and that you cannot see with physical eyes so that you can understand it and that you can pass it on to other human beings.

At present, there are many souls on Mother Earth who have decided to accept this mission. So open up to the world and pass on this Knowledge to other human beings in such a form that they, too, can understand it and continue to pass it on. Thus this Knowledge could multiply the number of human beings who could make this change within themselves, and they will also set an example for others.

This is extremely important because the voice of an individual can be silenced, over shouted, suppressed.

The majority can suppress it into oblivion, but the voices of many human beings will not disappear.

**And this means there is POWER in UNITY.**

Therefore, it is important that there are more and more human beings who understand the Cosmic Laws and how these energies flow, what their laws are, how they support each other, how they become intertwined and interconnected, and what energy flows they create together.

In these groups of souls that have come to Mother Earth, there is a very deep and pure Love and Compassion that they have been blessed with, in relation to themselves and others, so they can accept each other's experiences that they have shared over the time because they have come to the Knowledge that they have chosen this experience, and therefore can forgive each other and also themselves.

And just because they can dissolve those ancient pain and unforgiveness in Love and Forgiveness, they can set an example for the other human beings by the Light of Love and Compassion, and so they too will feel the desire of their soul to return themselves their own FREEDOM.

**THE DESIRE of your soul is the strongest creative power within you.**

**THE DESIRE is what drives you forward in your lives.**
