

HUMILITY and PREDUJICE – Part 4.

If, in relation to another human being, you need to get the energies of the created fight neutralized, first you must harmonize your own energy flow of thoughts, words, decisions, and actions.

Only when you have all this in line with yourself, then you can change the energies that have been created between you.

Only then is it possible and only then can you do it.

But if you will think one thing and talk and act differently, you can never change and transform the energies that have been created between you as two human beings into LOVE.

And by thinking in your thoughts one thing and by acting differently in real relation to the other human being, you do not change your relationship or the energies that work between you because you cannot neutralize them.

It is important that you understand that in your whole being, in every life in which you are born to Mother Earth, you are first and foremost YOU are here for YOURSELF.

You are absolutely RESPONSIBLE for any energy you create in YOURSELF.

And this applies whether you realize it or not.

It is a consequence of the Universal Law of Conservation of Energy.

Because you do not know how to accept RESPONSIBILITY for the energies that you create in all levels of your entire being, you cannot FORGIVE WITHOUT CONDITIONS.

And this is what you are learning and why you are repeatedly born to Mother Earth.

You learn to FORGIVE WITHOUT CONDITIONS as human beings, for UNCONDITIONALFORGIVENESS is an integral part of your SOUL.

Even if you Forgive as human beings, there is a condition because **YOU EXPECT** that the other human being after your Forgiveness will change the way he generates energy towards you and thus he changes the way of his actions towards you but it may not happen at all.

And it's not because the other human being has done it to you on purpose or he is deliberately doing it but it's because, at the level of Knowledge that he has, he can't do otherwise.

COMPASSION as such, which is your part of you, will allow you to accept the action of the other human being towards you with HUMILITY.

If COMPASSION is not part of you, then you will not accept his actions and you will repeatedly create unforgiveness towards him in yourself.

COMPASSION comes to you as a GIFT of the higher principles of the Cosmic Laws and it comes when you begin to take RESPONSIBILITY for all the energies you create, that is, for your thoughts, words, decisions, deeds, feelings and emotions and then you begin to act CONSCIOUSLY.

COMPASSION is the GIFT that will then allow you to FORGIVE WITHOUT CONDITIONS.

And this is a closed circle.

The extent to which you are filled with COMPASSION and COMPASSIONATE LOVE that allows you to FORGIVE others WITHOUT CONDITIONS is directly proportional to how you can take RESPONSIBILITY for your thoughts, words, decisions, deeds, feelings and emotions.

RESPONSIBILITY, COMPASSION and HUMILITY are interconnected because as your RESPONSIBILITY increases, both your COMPASSION and HUMILITY grow and you can accept your RESPONSIBILITY in a broader context.

Your PRIDE, with any of its heads that you let grow in you, prevents you from accepting your RESPONSIBILITY as such.

Pride puts you in the position of VICTIMS and then you cannot see this RESPONSIBILITY and therefore you cannot even accept it.

If you do not accept RESPONSIBILITY for the energies you generate, you do NOT have COMPASSION and therefore you cannot forgive in HUMILITY.

That is why it is true that one who does not allow you to FORGIVE is your own PRIDE because PRIDE as such, with all its heads, stands behind all of this and does not allow you to take RESPONSIBILITY for your own energies and by failing to accept this RESPONSIBILITY, the blessing in form of COMPASSIONATE energy does not come to you.

If you do not have COMPASSION in your HEART, you do not know how to FORGIVE.

And this is a closed circle.

Because fear as such understands exactly how this mechanism works, it has CONSCIOUSLY taken away your RESPONSIBILITY from you as such so that it can manipulate with you through false images and illusions that YOU CAN FREELY DECIDE.

Since most of you human beings are deeply convinced that you ARE FREE to make decisions, you do not realize this hidden manipulation of fear in your life at all.

However, you are free to make decisions only when and only when, your decisions include RESPONSIBILITY IN A WIDER CONTEXT because only then you can see the consequences of your decisions, only then you can perceive their energy impact and then you become CREATOR of your life and fear can no longer manipulate you into the position of VICTIM where you create very much pain in yourself by not accepting the situation that has arisen whether it is by your anger, hatred, addiction, anger, resentment, vengeance or blaming.

And then you stop promoting fear as such, not only in yourself but also on Mother Earth.

And if you think one thing and act differently in relation to that human being then you support fear in yourself.

That fear can grow in you to the point that you start to worry about the other human being so much that you create a panic fear in you that you will be left alone with it, while the other human being does not have to act in any way against you.

And all you have to do is, to be honest in your actions to yourself. And you have two options.

First option: Align your actions with thoughts and openly ask the other human being why she/he has begun to be hostile to you.

Second Option: Align your thoughts with action and no matter how the other human being treats you, you give her/him unconditional forgiveness.

In both cases, you would stop creating insincerity and falsity and create space for the energies to be settled.

However, that falsehood and insincerity multiplies the energies of fear, not only in yourself but also in the other human being.

It is the fear that opens the gap between misunderstanding and alienation between the two human beings.

Those energies can grow to such an extent that then one of those human beings cannot be in the presence of the other human being.

And this is the alienation energy that has developed between them.

I have explained to you many times that you need to be honest with yourself and this energy is created when you are not honest with yourself.

If this energy is generated, it is your RESPONSIBILITY however you cannot see it because you have created these energies of INSINCERITY in yourself because you thought one thing and acted differently in relation to the other human being.

Another energy level is also being created here.

Often times you are trying to forgive the other human being but since you are not being honest with yourself, nor any „attempts of forgiveness,, that you verbally declare will help you because your insincerity inside of you will create an energetic resistance to what you are trying to do, for you are declaring verbally forgiveness however energetically in thoughts, that is not the case.

And then you create RESISTANCE in yourself in relation to the other human being.

Since you are energetically creating your thoughts, the energy of RESISTANCE you create in your thoughts will then translate into the reality of your life.

It is important to realize that the more you accept this Knowledge and the more it becomes part of you, you become conscious beings and thus your RESPONSIBILITY for everything that you create as an energy being, grows in proportion.

It is very important and necessary that each one of you becomes SINCERE with yourself.
