

## LAW OF CONSERVATION OF ENERGY – Part 3.

Fear intentionally teaches you to fight. It is very important that you begin to teach your children Love and Forgiveness.

Notice how from childhood, fear deliberately instills in children's awareness that it is necessary to fight. Fear teaches them that pain is healed and cured by fighting and that if someone causes us pain, it is necessary to punish, destroy and kill him. Fear has created the whole industry for this purpose. It's the film industry.

Note that there is an enormous number of combat movies and films today in which the heroes of society are those beings who fight and punish, question marks, the bad ones because, as I have already explained to you, nothing is bad because it is all about the agreement at the level of souls that wanted to know something and experience something.

If we act from our essence – that is Love - and act with the Love of the soul, with Forgiveness, we will not create a feeling of guilt, pain and hatred.

In this way, that was imprinted into the consciousness and subconsciousness of children since early childhood, a conviction is deeply embedded that is turning into the prejudice that it is necessary to fight and punish every action, however, in this way, the whole society is led to the old habits „eye for an eye, tooth for a tooth,,. This society was unimaginably cruel, heartless and selfish and it was a time when human beings and all human society deviated very deeply from Love. Prejudice „eye for an eye, tooth for tooth,, created a great deal of pain in human society, an unimaginably lot of hatred, unforgiveness but also fear. Now notice, how fear once again creates awareness in human society through movies of heroes who take revenge, who cannot forgive, are ruthless and cruel in their pain and their only goal is revenge. How these false heroes are cherished. It is the programming of human society so that the law of „the Eye for the Eye, the tooth for the tooth,, can be re-established. which brought vengeance and hatred into the hearts of human beings and made the whole of human society ruthless, selfish, and cruel,

*The energy of wonderful Love came to me, which spread in my heart like warmth.*

**That is why it is extremely important that you consider very carefully what you allow your children to watch on television, what movies they will go to the cinema, what fairy tales and books to read because children come to Mother Earth clean, filled with deep Love, they are like an unwritten book and what you give them, they write very deeply in their consciousness.**

**And so, even if they come with any mission filled with Light and Love and YOU allow that their pure pages are described by ruthlessness, falsehood, desire for revenge and hatred, they cannot fulfil the mission they came to Mother Earth.**

**It is extremely, extremely important for children to be brought up in Love, for Love and with Love and that YOU show them FORGIVENESS as a tool of healing and curing all the pains that are created and born in your hearts.**

**It is so because children will always do what their parents do and not what their parents tell them to do. That is why you need to be an example your your children. Therefore, YOU, who can already judge what was created by**

Love and what by fear, you can begin to learn to Forgive so that you can pass this example on to your children, who can then begin to heal through Love and Forgiveness the pain and hatred that are created in the world and in the human society.

**It is very important for the Law of Conservation of Energy that you realize and understand the fact that THE THOUGHT IS ENERGY. THE THOUGHT is the ENERGY that is strengthened by the creation of theTHOUGHT.**

All you have to do is create an energy of hatred and unforgiveness in your thoughts and it will strengthen itself in an unimaginable way. You don't have to do acts of hatred or say it, just to think, is enough. That is why the energy of hatred is so much anchored today. You need to start sending Love, lots of Love to those who feel the pain and to those who are causing the pain, even though they are being manipulated but also to those who control it all, and, at the same time, you need to Forgive them all. Because some are completely blind - Those are the „mighty ones,, who think they are powerful but they are in complete darkness. And blind are also those ones who are creating it. They are manipulated and in blind faith and prejudice, they also do not see Love and do not realize the consequences of their actions. Blind are also those who have their hearts filled with pain and it is the pain that has obscured their eyes. Neither of them can see Love and they are all blind.

**In reality, they are all controlled, dominated and manipulated by fear through pain, blind faith, prejudice, pride and power. These are tools of fear, through which it manipulates human beings to create pain, hatred, fear in human society in order to force it to fight and at the same time to strengthen and anchor itself in human society.**

Fear does this thanks to the Law of Conservation of Energy. This law applies indiscriminately the same way throughout the whole Universe for every energy that is created.

**Through the Law of Conservation of Energy, you can strengthen the energy of Love but also the energy of hatred.**

**If you fill your hearts with Love, Compassion, and Mercy on this path of Forgiveness so that you can Forgive under any circumstances and send the energy of Love to these beings, you will strengthen Love in human society and on the whole Mother, according to the Law of Conservation of Energy and so there will be more and more Love on earth.**

It is extremely important that you begin to protect children from the manipulation of fear that it has created through movies and computer games in which human beings take revenge, fight, do not forgive and do not find Love and Compassion for to be able to Forgive. If children adopt this pattern of behaviour and it becomes a deep part of them, they will return to the law „eye for an eye, tooth for a tooth,, and this will happen precisely on the basis of the Law of Conservation of Energy.

**It is very important that you begin to teach children to perceive Love, through Forgiveness, Unconditional Forgiveness. You need to set an example for them to consciously begin to Forgive yourself and each other. To teach children to perceive Love, to make decisions with Love in a broader context and to teach children in this**

context to accept RESPONSIBILITY for their own free decisions. This can only be done by setting an example for them. That's why you need to start learning it YOURSELF. So it will be the desire of your heart. And if you freely decide for it, I will help you.

*The energy came to me that spread like heat in my heart and from the heart spread into my whole body, into every cell and I knew it was the energy of LOVE.*

IN LOVE, I will dissolve and heal all the pain stored in your hearts IN LOVE, I will dissolve and cancel all your promises, oaths made in anger, hatred, humiliation, misunderstanding and rejection. With infinite LOVE and in LOVE, I will dissolve all your curses, which bind you and limit you in an unimaginable way, so that you can act from your essence - from LOVE - from the energy you are and from which you were created.

The energy of emotion of deep hatred or pain, in which you utter any curse, promise, or oath, even if only in your thoughts, ALWAYS, ABSOLUTELY ALWAYS TIES YOU UP. It is this energy of promises or curses, which was made and born out of great hatred, anger, pain, humiliation, rage or envy that does not allow you to act with Love, it does not allow you to act from your essence. If you freely decide that you want to step on and embark on the path on which you will learn to Forgive with Love, I will help you dissolve these energies in Love.

I have also given this gift of Forgiveness to You because you let yourself be guided by Love in your heart and you allowed Love to heal you. The way you recovered from your illness was precisely the energy of FORGIVENESS and LOVE which you gradually gave to yourself but also to the people who were connected with your unforgiveness. As your physical body, your cells were healed so with each Forgiveness they were filled more and more with Love. In this way, every human being can truly be healed and cured.

How quickly you can heal and cure yourselves depends only on your own free decisions, how can you take Responsibility for your own actions, thoughts, words, decisions, feelings and emotions, by which you cause the disease of your physical body. If you can accept this Responsibility, then this human being receives the gift in form of COMPASSION that enters her/his heart and with the help of COMPASSION she/he can then give FORGIVENESS to her/himself and to all other human beings through which she/he has created any feelings of unforgiveness, anger, rage, envy, guilt, humiliation, rejection, non-acceptance, misunderstanding and anything that creates pain in the human heart. And this the process of your healing too.

**IT IS ALL ABOUT YOUR OWN FREE DECISION, YOUR RESPONSIBILITY, WHICH YOU MAY ACCEPT BUT YOU MAY ALSO REJECT IT. WHEN YOU ACCEPT YOUR RESPONSIBILITY, YOUR INTERNAL STRENGTH WILL INCREASE AND YOUR INTERNAL STRENGTH IS LOVE.**

**THE LOVE that you are born in.**

**THE LOVE for which you were born.**

**THE LOVE that you desire to give and receive.**

**THE LOVE that you desire to experience, feel, see and perceive with your whole being. It is this INNER FORCE that will then fill your HEART with COMPASSION, through which you can FORGIVE YOURSELF AND OTHERS TOO.**
